Druskininkai's air – it's one of the four most important elements at a health resort, so come here to contribute to your health. We invite you to spend your leisure time in nature by having fun in activities such as cycling around our resort – there are more than 60 km of cycling routes, which will allow you to admire the beautiful nature in the resort, while having an unforgettable experience and visiting the most popular sites.

## ŽILVINAS ROUTE

The name of the route comes from the Lithuanian folk legend about Eglė and Žilvinas, King of the Grass Snakes. Like a real grass snake, the road meanders through the pine forest to the east of Druskininkai. The route starts in the Old Town of Druskininkai, at the curved white bridge at the confluence of the Nemunas and Ratnyčėlė. Along the Žilvinas Route, you can admire the meandering scenery of the Nemunas River and visit a park of wooden sculptures. At the end of the route, you can jump into the lake for a swim or go for a further stroll in Grūtas Park.

### Places to visit:

- 7 Curved bridge
- 8 Jacques Lipschitz Sculpture Park
- 9 Park of wooden sculptures

### Suggested course:

The Curved Bridge – Nemunas Riverside – Eglė Sanatorium and Pond – Neravai Forest – Ilgis Lake – Grūtas Park

Route length: 10 km  
Difficulty: medium  
Road surface: asphalt / forest road

## STAR ORBIT

The route starts from Druskonis Lake, continuing through the pine forests and meandering through the hilly terrain towards the Nemunas River. The most famous place on this route is the Devil's Stone – the tenth-largest boulder in Lithuania. Next to the stone, you'll find the old street of Švendubrė Village with its ethnographic homesteads. Once you reach the village crossroads, you can return to the city or continue on your journey south to Raigardas Valley.

### Places to visit:

- 10 Virgin Eyes
- 11 Devil's Stone
- 12 Švendubrė Village with its ethnographic homesteads
- 13 Raigardas Valley

### Suggested course:

Druskonis Lake – Nemunas Riverside – Devil's Stone – Švendubrė Village – Raigardas Valley – Virgin Eyes Lake.

Route length: 9 km / 12 km / 24 km  
Difficulty: medium / hard  
Road surface: asphalt / forest road
